Programs That Help

• • FOOD BANK • •

Each week the Lighthouse provides food for over 200 families through our food bank. Families are able to get fresh produce, canned goods, meat, frozen food, and fresh bakery items. Over one million dollars worth of food is distributed each year.

• • PRODUCE TO PEOPLE • •

Produce to People is a regional program of The Greater Pittsburgh Community Food Bank. The Lighthouse Foundation is pleased to partner with GPCFB in facilitating the monthly distribution of fresh produce for Butler County at the Butler City Farmer's Market. Approximately 500 people receive food from this program each month.

• • TRANSITIONAL HOUSING • •

The transitional housing units offer opportunities for individuals and families to achieve their goals of education, employment, parenting skills, job training, and ultimately obtain permanent housing. Residents are permitted to stay in our transitional housing program for up to 18 months as long as they are working towards their goals and complying with all program requirements. There are five transitional housing locations with multiple apartments at each location.

• • INTERIM HOUSING • •

Safe Harbor is an interim housing facility jointly operated by The Lighthouse Foundation and Catholic Charities of Butler. Safe Harbor provides temporary housing for up to 60 days while staff members work with the homeless individual or family to find appropriate stable housing.
